## GUIDE TO CLUBS FOR MARKING OF REFEREES

The mark awarded by a club must be based on the referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The referee's performance should be determined by the table below which should act as a guide for the overall mark, which should fall within the mark range for each standard of performance.

### Mark Range Comment

86-100	The referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.
76-85	The referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.
61-75	The referee demonstrated reasonably accurate decision-making and despite some shortcomings generally controlled the game well.
60 & below	The referee demonstrated shortcomings in the accuracy of decision-making and control which affected the game.

### NOTES

- Using a scale of up to 100 allows greater flexibility for clubs to distinguish between different refereeing performances more accurately.
- A mark within each mark range can be given to reflect the referee's performance e.g. a mark of 79 indicates a somewhat better performance than a mark of 71.
- A mark between 71 and 80 represents the standard of refereeing expected.**
- When a mark of 60 or less is awarded, an explanation must be provided to the League or Competition by completing the appropriate box on the marking form. It must include comments which could help improve the referee's future performances. Even where a referee has significant shortcomings, there will have been some positive aspects, which should be given credit; extremely low marks (below 20) should be very rare.

### HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the referee.

#### Control and Decision Making

- How well did the referee control the game?
- Were the players' actions recognised correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the referee always within reasonable distance of incidents?
- Was the referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the referee understand the players' positional intentions and keep out of the way accordingly?
- Did the referee demonstrate alertness and concentration throughout the game?
- Did the referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the referee aware of the players' attitude to advantage?
- Did the referee use the assistants effectively?
- Did the officials work as a team, and did the referee lead and manage them to the benefit of the game?

## **GUIDE TO CLUBS FOR MARKING OF REFEREES** *continued*

### **Communication and Player Management**

1. How well did the referee communicate with the players during the game?
2. Did the referee's level of involvement/profile suit this particular game?
3. Did the referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
4. Did the referee respond to the changing pattern of play/mood of players?
5. Did the referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
6. Was the referee pro-active in controlling of the game?
7. Was the referee's authority asserted firmly without being officious?
8. Was the referee confident and quick thinking?
9. Did the referee appear unflustered and unhurried when making critical decisions?
10. Did the referee permit undue questioning of decisions?
11. Did the referee deal effectively with players crowding around after decisions/incidents?
12. Was effective player management in evidence?
13. Was the referee's body language confident and open at all times?
14. Did the pace of the game, the crowd or player pressure affect the referee negatively?

### **Final Thoughts**

1. Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
2. Judge the performance over the whole game. Don't be too influenced by one particular incident.
3. Don't mark the referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.

# REFEREE'S GUIDE

## EXPERIENCE

Remember the referee is entitled to enjoy the game as much as the players and managers. The referee is not there to be used as a point for venting frustration.

## PRIOR ARRANGEMENT

If you have not been contacted by the Home team about the fixture, then please pass on this information to the Referees Secretary, so that the relevant Club Secretary can be informed about their Managers failings.

Make sure that the Manager has a suitable number that he can contact you on in the event of extreme conditions.

Make sure that the Manager is aware of your Estimated Times of Departure and Arrival, so that he has due notice to avoid your travelling to the game, if necessary.

## MATCH PREPARATION

Arrive in plenty of time to carry out a pitch inspection. You will need to check the following points:

**The goals** – are they secure and safe?

**The nets** – are they secured to the posts sufficiently, pegged down and are there any holes?

**The lines** – are they clear and visible? The 18-yard box, penalty spot and centre circle should always be marked as a minimum. (It may be possible for lines to be re-marked.)

**Corner Flags** – are a requirement but the flags placed one metre from the touchline at the halfway point are optional.

**Respect barriers** – should be provided down one side of the pitch and both sets of supporters put behind it, with only the coaching staff and substitutes on the opposite side. If two sets of barriers are used, then allow coaching staff and substitutes inside the barrier only and maintain a gap for your assistant.

**The playing surface** – should be inspected for any animal faeces and if found must be

removed prior to play. Consideration must also be given if the pitch has been subject to inclement weather.

## GETTING READY

Both teams are meant to have checked the photocards for each of the players of the other teams. Make sure that this took place (or at least that you gave them the opportunity to carry this out) and highlight any anomalies that are brought to your attention by either Manager.

Do not start the game until the former is satisfied in all respects.

**Footballs** – The home team should supply a minimum of two match standard balls.

For age groups up to and including U14 size 4 balls must be used.

For age groups U15 to U18 size 5 balls must be used.

## STARTING THE MATCH

**Players Equipment** – Football studs must be checked, if in the opinion of the referee any studs are dangerous, then they must not be worn. Players not wearing shin guards will not be permitted to play.

**All Jewellery** must be removed; it is not sufficient to tape neck chains, rings, earrings or studs.

### Substitutions

Only substitutes named on the team form are permitted to play.

Five substitutes can be named on the team form (16 players total).

Each team is permitted to play up to five substitutes only.

For teams in U18, U16, U15, U14, U13, U12 and U11 age groups, a player who has been substituted, becomes a substitute, and may return to the field of play subject to the laws of the competition. There are no limits to the number of substitutions that can be made during the course of these games.

### **AFTER THE MATCH**

#### **Cautions and Dismissals**

Cautions and dismissals must be notified to the appropriate Affiliated County(ies) for each team on the appropriate forms. These forms are available on the web-site – [www.cdjfl.co.uk](http://www.cdjfl.co.uk) under the referees section.

Should you require assistance with the forms please contact the Referee's Secretary.

**Important!** Even if the referee is not qualified he/she has assumed the duties of the referee, cautions and dismissals must be reported to the appropriate Affiliated County(ies) for each team. Non-qualified officials are also entitled to their match fees.

### **WHAT IF . . . ?**

#### **MATCH IS POSTPONED FOR ANY REASON**

If you have not commenced your journey, then there is no further action required.

If you have arrived at the ground, which is not playable, then you are entitled to claim expenses plus half the match fee.

If you have arrived at the ground and one team action means that the fixture is not started, then you are entitled to claim the full match fee and expenses.

#### **ONE TEAM HAS ONLY SEVEN OR EIGHT PLAYERS**

The game can progress, but the other team needs to carry out the entire game with only nine or ten players respectively.

However, the non-defaulting team can use any extra players as extra substitutes, up to a maximum of 16 players being permitted to take part in the fixture.

In the event of the teams being reduced by injury or disciplinary action to less than 7 players, then the match must be abandoned immediately and the reasons for concluding the game detailed on the match forms.

### **WHAT IS . . . ?**

#### **THE MATCH FEE AND EXPENSES**

The match fee and expenses rates are covered in Rule 13E, within the handbook.

The match fee is relative to the age groups covered.

2. (a) In these Regulations the expression "Offence" shall mean any one or more of the offences contained in the Schedules of the Criminal Justice and Court Services Act 2000 and any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to a child or children.  
(b) All persons in such positions that The Association deems relevant whose normal duties include caring for, training, supervising or being in sole charge of children are required to obtain an Enhanced Disclosure via The Association's CRB process.

  - 3.2 notification that an individual is the subject of an investigation by the Police, Social Services or any other authority relating to an Offence; or
  - 3.3 any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to a child or children then the Association shall have the power to order that the individual be suspended from all or any specific football activity for such period and on such terms and conditions as it thinks fit.
4. In reaching its determination as to whether an order under Regulation 3 should be made The Association shall give consideration, inter alia, to the following factors:
  - 4.1 whether a child is or children are or may be at risk of harm;
